

## **Main features and functions of Eesti Pank**

Eesti Pank is the central bank of the Republic of Estonia and a constitutional institution analysing and administering the Estonian monetary system, i.e. the monetary policy of Estonia. The aim of monetary policy is to ensure a low and stable price rise and the best conditions for economic growth.

**The mission of Eesti Pank is to guarantee price stability in Estonia.** The main tasks of Eesti Pank in carrying out its mission are as follows:

- Participating in the national economic policy through the implementation of an independent monetary policy, consultancy to the government, and international cooperation;
- Ensuring financial stability in Estonia by creating policies for the financial sector and operating well-functioning settlement systems;
- Arranging the circulation of cash in Estonia;
- Making preparations to become one of the policy-makers among other national central banks of the euro area who design the coordinated economic policy and single monetary policy in Europe.
